

**POINT VIEW SCHOOL FAMILY AND FRIENDS COMMITTEE MINUTES**  
**FOR THE MEETING HELD ON TUESDAY 1<sup>ST</sup> JUNE 2010**

---

**GENERAL BUSINESS**

**Disco:**

Review of this event presented by Sonja Pickering. She thanked the Disco Sub-Committee for all their work on this event. Thanks also to Robyn Hibberd and School Council for bagging the lollies. Areas to improve on next year would be the sale process of the cans of soft drinks – need area cordoned off, perhaps revert back to previous year and sell only in disco changeovers. Recycling bins need to be labelled more clearly. Discussion held on late sales for the disco and our other events i.e. Pool Party, Ice Skating etc. It was agreed that we would continue to have door sales for these events but increase the charge in the hope that this would encourage parents to have the money in on time. A \$5 disco ticket would cost them \$6 on the door.

Excess water and donated chips to be sold on Enviro-Day together with the 15 boxes of chocolates we have to get rid of.

It was agreed unanimously that a small present should be given to the “DJ Team” and Rachael the hairdresser for their wonderful contribution to the disco.

**Sausage Sizzle for 25<sup>th</sup> June**

This term the middle school will be asked for helpers. Note to stress the close off date for Sausage Sizzle orders.

**Tea Towels**

3 Tea Towels, one from each syndicate, were presented to Judy from the Tea Towel Sub Committee Leader Justine Ross, as a gift to the staff for their new staffroom.

**End of Meeting**

8.25 pm
