

**POINT VIEW SCHOOL  
ACTIVITY FEE – TERM 3 & TERM 4, 2010**

As we informed parents at the beginning of the year, we are now charging an activity fee twice per year instead of asking for small amounts of money throughout the year. This activity fee covers costs for all class and school based activities, such as trips, visiting speakers and shows. There will be additional charges for some students who attend small group events or enter competitions. Each syndicate provides a full account of activity fee charges and expenditure.

**Please return the Term 3/4 activity fee and the slip below.**

**Senior Syndicate (Years 5/6)**

**\$32.00**
