

“Get your food nude, Dude!”

Friday 17 February 2012

Dear Parents

Our school is proud to be an enviro-school, boasting beautiful gardens, green fields and open spaces. Last year we successfully began our Nude Food campaign with *Tai the surfing monkey* as our mascot. We were very pleased with the response from parents and children, however, we wanted to remind everyone of what you and your child can still do to help Point View reduce the litter and continue to be a Nude Food school.

It is our aim to make Point View School as waste-free as possible and therefore there will be no need to have rubbish bins.

This is a school-wide initiative and we encourage parents and children to support it.

The goal is for every child to have lunches without wrappers.

In order to support your child, wrappers need to be removed from foods and the food placed in re-usable containers. We would appreciate it if no gladwrap was used at all.

To help your child become a 'Nude Food Dude!' you could.....

- *Put chips in small plastic containers or reusable plastic bags.*
- *Unwrap Muesli bars at home.*
- *Sandwiches can be put in a small container or separate compartment.*
- *Yogurt containers are still acceptable, however, they will be taken home at the end of the day.*
- *School lunch order rubbish will be placed back in the brown bag and brought home.*

We appreciate the commitment this incurs initially but trust that the cause to nurture and protect our precious environment will far outweigh the effort.

Thank you

Teachers at Point View School
