

IMPORTANT NOTICE TO PARENTS

The cut off dates for ordering things through the school has been increasingly ignored with lots of late orders coming in and being accepted. This causes an organisational nightmare for those doing events and sales, such as calendars, sausage sizzles, disco tickets, music festival tickets. By accepting these late orders we have caused lots of extra work for Family & Friends and our office staff.

We are starting a campaign to get orders in within the time frame stated and will stick to cut off dates rigorously from now on.

This will start with the sausage sizzle money that is due in by 9.30am Wednesday 23 June. No late orders will be accepted for this.

Thanks for your understanding about this issue.

Judy
