

Personal Details

Selena Gomez wasn't a fan of magic or Harry Potter before she played 'Alex Russo'. Her favourite subject was science, and her favourite sport was basketball. She loved to watch her mother act, and also pretended to be her mother sometimes. Her personal and inspiring quotes were: "Be yourself always, there's no one better!" and "I was never the girl who thought I needed to make sure I looked like the other girls. I think you look better when you stand out!"

Skills and Talents

Selena Gomez's talent mostly came from her mother, Mandy. She practiced singing and pretended to act to magnify her talents.

Attitudes

Selena was very determined to be a singer and an actress successfully. When she did, she made her songs creative, and was confident that she could sing and act on TV without making any mistakes. People said that she was humble, nice, had manners, trustworthy, had perseverance and resilience and it was true. Selena had committed herself to act 'Alex Russo' and to be an artist. She also had collaboration with the band members, director, other actors, and other people she worked with.

Inspirations

Selena was inspired by her mother who was an actor, and was also inspired by places, movies, songs and other celebrities.
