

LEARNING TOGETHER

Junior School Newsletter Term 3 2015

Welcome back for Term Three. Welcome also to Suzy Green who is working with the new entrants in Room 17 with Katherine Groom. Ms Green will work in Room 17 till her numbers require her to move to her own room which will be located in the Learning Centre, Room 32.

Topic for Term Three

This term, for our integrated topic of 'Eye Spy', we will be looking at simple mechanisms and movement. To support this learning the Year 1 and 2 classes will go by bus to visit MOTAT. More information about the trip will be sent home on a separate notice.

Parent Helpers

Thanks for all the offers of help for class trips and technology days. We couldn't do these activities without this support. A very special thanks to the parents who come into classrooms and help on a regular basis with pasting in worksheets or sorting and returning books to the bookroom.

The Junior Syndicate

Kay Morris, Sarah Brider, Gillian Peterson, Karen Brunning, Steph Brasell, Kate Norton, Stella Shewring, Gemma Drummond, Kerry Mooney, Lisa Gordon, Serue Lee, Diane Jackson, Aradhana Sharma, Katherine Groom, Suzy Green, Lyn Thorpe.

Poetry Recitals

As part of the oral language programme children are asked to recite a poem to their class. The finalists from each class will present their recital at a special assembly in the school hall later in the term. Information on how you can help your child prepare for this will be sent home closer to the date.

Uniform

Please ensure all items of uniform are named clearly. The lost property box fills very quickly each term and any named items will be returned to the owner. While a name on the label is very helpful, it is advisable to name items, especially jackets, in more than one place as labels may come off.

Family and Friends

At Point View School, Family and Friends meet on the first Tuesday of every month in the upper staffroom at 7.30pm. This is a great way to keep in touch with what is happening in our school. Apart from some fundraising activities it is a chance to meet other parents while contributing to your child's learning environment.
