If any other details are incorrect or if you have any issues please contact the school office.

Achievement Levels

This year your child's progress and achievement is reported in relation to the levels of the New Zealand Curriculum. The reports are designed as a document for discussion at the Student Conferences and teachers will talk further to the bullet points. Your child will share with you some of their work and the goals they are working towards.

A printed copy of your child's report will be given to you at the Student Conference. We look forward to seeing you on Wednesday 4 or Thursday 5 July.
