

## Mathathon 2020

This is a major fundraising event for the year. The money raised will be used towards the school's landscaping of our new outdoor learning and playing environments, due to start soon. Every child is expected to participate in the Mathathon to make it a successful event. Your child will gain important mathematical knowledge by learning the basic facts and concepts. This will be part of your child's homework during the next three weeks.

1. Please assist your child to learn the maths facts over the next three weeks. The children will be tested on 20 of the maths facts.
2. Discuss with your child possible sponsors whom you feel would like to support your child and the school. Consider family members, friends and neighbours.
3. Encourage your child to complete the sponsorship form by collecting as many sponsors as possible.

Monday 10<sup>th</sup> August

Facts sheets issued.  
Sponsorship forms sent home.

Thursday 27<sup>th</sup> August

All sponsorship forms to be returned to school.

Friday 28<sup>th</sup> August

Test Day  
Results and teacher's signature on form.
