

## Visit to MANGERE MOUNTAIN

Wednesday 18 September 2020

As part of our 'Wonder and Discover' investigations, we are planning a trip to Mangere Mountain. In the past, it was the site of a Maori pa and today many archaeological features can still be seen. There we will learn about how early New Zealanders lived, by undertaking a guided tour of the mountain and some hands-on activities.

Trip Dates -

Room:	Date:	Leave school	Arrive back at school
Room 7 and Room 8	Tuesday October 20th	8.45am	approx 2.45pm
Room 2 and Room 26	Wednesday October 21st	8.45am	approx 2.45pm
Room 1 and Room 17	Thursday October 22nd	8.45am	approx 2.45pm
Room 3 and Room 9	Tuesday October 27th	8.45am	approx 2.45pm
Room 5 and Room 6	Wednesday October 28th	8.45am	approx 2.45pm
Room 4 and Room 10	Thursday October 29th	8.45am	approx 2.45pm

We will travel to and from the mountain by bus, however, we will require parent help during our time there. If you are able to assist us with this, please indicate on the form online.

We are unable to accommodate pre-school children on this trip.

Parents may need to carpool should there be insufficient room on the bus.

Students do not have to wear school uniforms for this trip. Instead, they should wear old clothes that provide plenty of warmth. This should include long trousers, a sweatshirt and a waterproof jacket. Shoes are likely to get muddy and must be suitable for walking up and down the mountain. A beanie or other warm hat is also suggested.

Please provide your child with morning tea, lunch and a bottle of water.

The cost of this trip is covered by the activity fee. [Please click here to complete the trip permission form.](#)

Thank you for your support.
