School Declaration

We would like to offer sessions for those students who:

1. Are currently in good health
2. Have no known contact with Covid-19
3. Have not travelled internationally within the last 2 weeks
4. Have not had contact with international travellers within the last 2 weeks
5. Have no people in their bubble or family unit that have a likely exposure to Covid-19
6. Are willing to strictly adhere to social distancing (for those outside their bubble) while

Indoor Facilities

- We will cap the number of users within the facility at any given time to 100 people including teachers, coaches, teachers, etc.
- Swimmers are only to come in contact with others in their class and not with students from outside of their class bubbles.
- Swimmers will be spread across the lanes to try and maximise distancing throughout the session
- Toilets will be available if needed
- Showers will not be used following the sessions

Cleaning

- A toilet facility will be available and be sprayed between each Class. However, we recommend toilet and change at School prior to and after their water session if possible
- Toilet use for less than a 15min period
- Toilets will be kept unlocked
- Toilets, hand rails and handles will be sprayed and wiped down after every session. Blocks may not be used

Contact Tracing

- All attendance will be fully updated to allow for thorough contact tracing using class rolls.

The following process will be completed:

- Complete Rolls
- Ensure that all schools understand to arrive only 5 minutes prior and depart within 5 minutes of the lesson finish (strict requirement)
- One teacher per class
- Use the Leisure Pool as a staging zone
- Our tracing may be overlaid by Council contact tracing
- We highly recommend the use of Face masks.

*Should there be a suspected or confirmed COVID-19 case among someone who visits our facility, we will contact Healthline's dedicated COVID-19 hotline on **0800 358 5453**. Health authorities will then decide whether to contact anyone else linked to the suspected or confirmed case.*

Entry and Exit from the Facility

- A transition window between sessions can be built in to ensure we do not have a build-up of people within the facility
- Swimmers need to arrive 5 minutes before the sessions starts and not before. If they are late – sorry we cannot admit them
- Swimming Pool doors will be kept open where possible
- Swimmers are requested to arrive and leave in their swimwear and not use the changing rooms.
- Swimmers where possible will enter through one door and leave through another.
- Swimmers may need to gather in the leisure pool prior to lessons
