

Middle School Trip to Mangere Mountain

As part of our social sciences investigations this year, the Middle School are planning a trip to Mangere Mountain. In the past it was the site of a Maori pa and today many archaeological features can still be seen. There we will learn about how early New Zealanders lived, by undertaking a guided tour of the mountain and some hands-on activities. We will travel to and from the mountain by bus.

Classes will visit Mangere Mountain on the dates listed below:

Rooms 12 & 30 - Monday 9 November

Rooms 14 & 29 - Tuesday 17 November

Rooms 13 & 16 - Thursday 19 November

Rooms 15 & 31 - Monday 23 November

Room 11 - Tuesday 24 November

We will require parent help during our time at the mountain. If you are able to assist us with this, please indicate on the form below. Parents may need to carpool as there will not be enough room on the bus.

Students should wear their PE uniform and sports shoes for this trip. They must also bring their school sweatshirt, school sunhat and a waterproof jacket. Shoes are likely to get muddy and must be suitable for walking up and down the mountain.

Please provide your child with morning tea, lunch and a bottle of water.

The cost of this trip is covered by the activity fee. If you have any questions, please do not hesitate to contact us.

Thank you for your co-operation,
Middle School teachers
