

# POINT VIEW SCHOOL

## LEARNING TOGETHER

19 May 2021

Dear Parents,

Rooms 12, 13, 14, 15 and 16 plan to go on an autumn walk to Tarnica Park, stopping along the way to notice fallen leaves, seed pods, deciduous and evergreen trees. Once we get to the park we will have some fun building piles of leaves, stomping in the leaves and throwing handfuls of leaves into the air. The children will also spend some time sitting quietly, just listening and thinking of words to describe the sounds they hear.

There will be lots of inspiration for creative and descriptive writing.

We will require some parent supervision, please indicate on the attached form if you are able to join us on our walk.

At this stage we are planning to walk on Tuesday 25th May leaving school at 9:00am returning by 10:30am.

As the walk will very much depend on the weather, our saving date will be Thursday 27th May at the same time.

The children will need to bring raincoats.

Many thanks for your support.

Kind regards

Room 12, 13,14, 15 and 16 class teachers
