

FACTATHON 2021

Due to the uncertainty of when we will return to school, we have decided to complete our 2021 Factathon online. Teachers will remind their children to revise the facts this week. Next week at their online class meeting, the teachers will ask the children a selection of questions, which they will mark together. Your child will be able to tell you how well they did.

As the children cannot leave their bubble to collect money from sponsors, we hope that families will be able to make a donation. Payment will need to be done online through your [KINDO](#) account (you can type over the amount shown to put in your correct sponsorship money amount),

The money raised will be used towards the upgrade of our school's outdoor learning and play environments. Work has started today and will continue during the Christmas holidays. This is such an exciting project, which will be enjoyed by everyone.

DONATIONS CLOSE ON TUESDAY 23 NOVEMBER 2021

[Pay Online](#) – pay through your Kindo account (*you can type over the amount shown to put in your correct sponsorship money amount.*)

THANK YOU FOR YOUR SUPPORT
